Government of India

DRAFT LIST OF DENOTIFIED TRIBES, NOMADIC TRIBES AND SEMI-NOMADIC TRIBES OF INDIA

**National Commission for Denotified,
Nomadic and Semi-Nomadic Tribes
(Ministry of Social Justice & Empowerment)**

9th Floor, Jeevan Prakash Building, 25 K.G. Marg, New Delhi – 110 001

**Draft list
of
Denotified Tribes,
Nomadic Tribes
and
Semi-Nomadic Tribes
of
India**

FOREWORD

Government of India has constituted a National Commission for Denotified, Nomadic and Semi-Nomadic Tribes with a mandate to identify and prepare state-wise lists of DNT/NT, their inclusion status is SC/ST/OBC and habitats where they are densely populated, apart from evaluating the progress of the progress of the development for recommending welfare policies.

2. The first task in this regard is to prepare a draft list of DNT/NT/SNT which will be finalised after necessary consultations at various levels. In the absence of this basic information, decision makers will find it difficult to formulate policies/programmes for the upliftment of these downtrodden communities.

3. To that end, this draft list of DNS/NT communities state-wise, will fulfil a great need in our welfare objectives and determination to bring the DNT/NT/SNT into the path of development.

4. I solicit the comments of state governments and all concerned.

(Bhilku Ramji Idate)
Chairman

NOTE FROM MEMBER SECRETARY

First of all, the National Commission is tasked to prepare a state-wise list of DNT/NT, apart from assessing the status of their inclusion in the SC/ST/OBC, identification of district and area where they are densely populated, while reviewing the status of their progress and suggesting appropriate measures for their development.

2. We have decided to prepare a draft list based on the available data from previous Commission's reports and literature and then start a process of consultations before it could be finalised. We knew that preparation of a final list will undergo various stages of consultations, verification of data, and comments of the state government, /UTs, consultation with research institutions, social science experts/researchers, NGOs, reference to books and literature, obtaining comments from the community leaders and other stakeholders in the public domain.

3. We needed a base paper for discussion and as part of that strategy this draft state-wise list is prepared. Final list will be a common, agreed and acceptable list by all concerned. We have written to state governments on 12.10.15 and 8.1.2016 with those datas to work out state list and send their comments.

4. This draft list covering all the states is arranged in alphabetical manner and numbered. This could be possible because of our earlier decision to start with state-wise folders containing all datas of DNT/NT in one volume collected from the previous Commission reports. It is our opportunity to develop a list state-wise on scientific basis.

5. In preparing the draft list, lots of efforts have been made by my colleagues, especially Deputy Secretary, Dr. B.K. Lodhi, with the help of the staff of data entry operators and researchers. I compliment their efforts.

(H. K. Dash)

Member Secretary
